

SGE

Color Pallet(Solid) : “Mostly white, blue and, some yellow in there”.

Blue = 204F75

yellow = FFD143

Index page:

veryTop - holds company name. (bootstrap, and flexbox).

blueHeader- (grid container)

.header (item)

.lightBolt (item)

.H1 (item)

.

TODO:

Redo introduction section (product section)

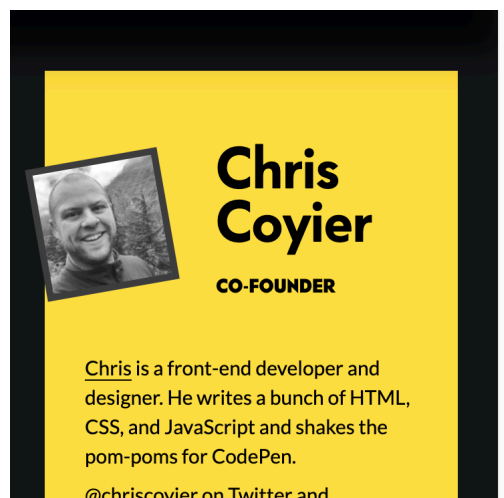

-Mobile sections so that each box becomes one and takes up full space, for tables will take up 2 spaces.

. About Resection

. Blue Footer

.Contact (here you begin the database aspect of the site. Such as email addresses so guy can send out promotions)

About me inspiration:

Committed to help you
win, **indeed.**

Something else written here, very small and like a statement of commitment. Something else written here, very small and like a statement of commitment. Something else written here, very small and like a statement of commitment.
